

### **Process Machine Operators**

- Maryborough (Regional Vic) based
- Food Manufacturing (FMCG)
- Full-time permanent roles on Day, Afternoon & Night shifts

### **About True Foods**

True Foods is a modern day success story of the FMCG industry. We have a genuine people-focused culture and burning ambition for innovation and ongoing sustainable growth in Australia. Located in Maryborough (regional Victoria), we manufacture a broad range of flatbreads and bakery snack products for both the retail and foodservice markets. As an Australian owned and operated business, the company is proud to be an active member of the regional community of Maryborough where we employ approximately 200 people.

### **Your Key Purpose:**

As an experienced Machine Operator/s you will operate a number of our production lines (including a horizontal flow wrapper) to ensure a quality product is produced in a production cycle which is consistent, efficient and effective. These positions are hands-on, physically demanding and fast paced and are available across all shifts; day, afternoon, night.

### **Your Skills & Experience will include:**

- Previous Machine operator experience; flow wrappers and packaging equipment preferred
- Baking experience highly desirable
- Strong focus on safety and quality
- Proven mechanical aptitude and ability to apply technical knowledge
- Solid interpersonal skills and willing to be part of a supportive and fun team
- Basic computer skills and confidence using technology
- Effective trouble shooting and problem solving skills
- Good numeracy, literacy and communication skills
- Resilience to work well in a fast paced and changing environment
- You will be reliable, punctual, hardworking and willing to learn

### **Benefits:**

- Competitive rates
- This role is eligible to participate in the Company's profit participation program
- On the job training
- On-site parking

### **How to apply:**

Please forward your resume to [Careers@truefoods.com.au](mailto:Careers@truefoods.com.au) by Friday, 7 June 2019 **quoting reference number: PMO\_0519**: We look forward to hearing from you.
