

Flow Wrap Machine Operators

- Maryborough (Vic) Location
- Full time permanent positions
- Day, Afternoon and Night Shifts Available

Short Description

An exciting opportunity exists for experienced horizontal flow wrapping machine operators to join this food manufacturing success story.

About True Foods

True Foods is a modern day success story of the FMCG industry and the home of Simson's Pantry products. Based in Maryborough (Victoria), we are a 100% Australian owned and operated business that prides itself on manufacturing quality speciality bakery products. We produce an impressive suite of products which include: Simson's Pantry Summer Herb, Four Seeds, Black Rice Gluten Free and Premium White and True Foods Naans, Dipping Breads, Gluten Free Wraps and our Traditional Roti Wraps.

About the Location

True Foods is set in the historic township of Maryborough, between Ballarat and Bendigo in Regional Victoria. The local community has a proud history of food manufacture and boasts all the modern conveniences; hospitals, sporting facilities, public and private schools etc. As a regional location, property prices are certainly very attractive, and this friendly community makes a perfect destination for "tree-changers", those looking to get a foothold in the property market, or those looking to escape the daily grind of metro living.

About the Opportunity

You will be responsible for the functional operation of the nominated flow wrapping machine to ensure a quality product is produced in a production cycle which is consistent, efficient and effective. In doing so, you will ensure that all aspects of safety, quality and machine efficiencies are met and product produced is, as per schedule and within allocated timeframes.

Key responsibilities include;

- Efficient and effective operation of horizontal flow wrap machines
- Understanding machine/production capability and performance
- Troubleshooting areas for improvements and work closely with the maintenance and production teams on preventative maintenance requirements
- Face to face informative shift handover ensuring all paperwork is signed off with mutual agreement in line with Quality control requirements
- Effectively liaising with shift supervisors, line workers and oncoming/departing machine operators
- Assisting other production team members on the lines as required
- Building and maintaining effective cross functional relationships

About you

Your skills and experience:

- Strict adherence to Company, OH&S and Food Safety policies, procedures and workplace standards
- Demonstrated machine operation experience within the FMCG industry
- Strong mechanical aptitude
- Sound literacy and numeracy, problem solving/troubleshooting capabilities and a continuous improvement mindset
- Excellent communication skills with the ability to effectively train others as needed
- An ability to plan, organise and prioritise tasks
- Respond quickly to urgent situations through open and effective communication

- Strong attention to detail
- Strong work ethic
- Flexible approach to change in daily working environment

You may be required to work outside of your regular hours to meet business needs, therefore a flexible and willing approach is required.

If you are an experienced horizontal flow wrap machine operator who is ready to make a positive impact to our team, then we'd love to hear from you.

How to Apply:

True Foods encourages and supports a safe and fun learning environment with the opportunity to grow your career. If you have the enthusiasm to succeed and are seeking a position where you can add value to your role, team and True Foods then please submit your application and current resume addressing the above criteria quoting reference MO2018 to careers@truefoods.com.au
