## **Senior Production Supervisor**

### **Short Description**

An exciting opportunity exists for a professional Senior Production Supervisor to join this food manufacturing success story.

### **The Company**

True Foods is a modern day success story of the FMCG industry. Located in Maryborough (regional Victoria) True Foods is 100% Australian owned and operated business that was established in 2001 as a specialist manufacturer of Tortilla Wraps, Flatbread and Bakery Snack products. True Foods has been able to successfully introduce, drive and maintain a high quality product range that has seen volumes increase at Coles, Woolworths, ALDI and within the QSR and Foodservice segments.

True Foods is also the proud home of the Simson's Pantry product range which has helped to build their reputation for consistent product quality and innovation.

### **The Role**

Reporting to the Production Manager, you will lead the Supervisory team to ensure strict adherence to Company policies, procedures and values, co-ordinate and monitor the production team to achieve positive EOLC and production targets, lead continuous improvement activities to reduce waste and improve line efficiencies to drive down COGS, proactively manage ER/HR matters and develop the Supervisory team identifying skill gaps and learning and development needs.

The right candidate will have a hands-on style and be prepared to work alongside the team at all levels to gain a deep understanding of the end-to-end operations.

### **Skills & Experience**

- Very experienced in production supervision within a FMCG environment
- Ensure full compliance with OH&S, BRC, HACCP and other regulatory standards at all times
- Lead and coach employees to adhere to all company policies and work according to standard operating procedures
- Advanced interpersonal and stakeholder management skills
- Collaborative hands on team leader
- Strong in character with the ability to challenge when required
- Demonstrated success in building high performing teams
- Actively manage ER/HR issues
- Proven history to successfully implement and initiate change and process improvement within a business that is continuously evolving
- Foster a culture of accountability
- A strong work ethic
- Exposure to Lean Manufacturing concepts and principles with a proven track record in this area
- Ideally you hold qualifications in Food Processing or Competitive Manufacturing

**Benefits**

- A competitive package is on offer for the right candidate, along with mentoring and support from a highly experienced Leadership Team.
- Hands-on production leadership role
- Day shift
